Including, quartermaster, assistant patrol leader, patrol leader, assistant senior patrol leader and senior patrol leader. I will be obtaining my Eagle Scout rank very soon.

**Professional Experience**

Interned as a recording engineer at Studio Center Summer 2011.

Provide musical entertainment using my guitar and vocal skills:

Abbey Road Pub twice monthly;

Bayside Bar and Grill every Monday in the summer of 2011;

Bayside Bar and Grill every Thursday in the fall of 2011;

Along with various private parties, including local civic association events and benefits for organizations including the Sertoma Club, Wildlife Response and Firefighters.

**Community Service Activities**

Through many organizations I have obtained hundreds of community service hours. My Eagle Scout project was one of the largest community service projects I have ever run. I fully coordinated an oyster restoration project, in which I built 19 PVC oyster floats and donated them to Lynnhaven River Now and Oyster Reef Keepers of Virginia. I had to plan the project, raise the money (\$1200) through numerous fundraisers, carry out the project, and obtain a myriad of signatures from adult leaders and guides along the way. My Eagle Scout project not only shows service but also leadership. I had 20 people to lead during the project. Total man-hours were 122.2 hours. I was also inducted into the Order of the Arrow. This is an exclusive branch of Boy Scouts that is based on cheerful service. Only the most apt are elected by their peers to participate. I donate my music and time to many worthwhile benefits and played occasionally for the Francis Asbury church congregation (Troop 63's sponsor).

**Special Interests**

I enjoy playing, writing and performing music. My main instrument is the guitar; however, I also play the piano saxophone, harmonica, and vocals. I enjoy traveling, sailing, going to the beach, and swimming.
