

Help Restore the *Lynnhaven River* by supporting

Louis Smith's Eagle Scout Project...

Oyster Floats

for **Lynnhaven River Now** and
Oyster Reef Keepers of VA

15 Taylor Oyster Floats will be built and donated to LNR and ORK to distribute to local schools for educational purposes.

Cost to procure materials is \$800.

Donations gladly accepted!

To donate or for more info, contact Louis at 641-3050 or

Louis.b.smith@hotmail.com or

visit www.riffcurrent.com.

See Below for fundraising plans.

Oysters naturally filter pollutants and thereby clean our waterways.

Louis wants to help Lynnhaven River Now achieve their goal of restoring the Lynnhaven. One oyster filters 60 gallons of water per day. For more info about oyster gardening, visit www.LynnhavenRiverNow.org.

Fund Raising: To raise money for this environmentally & educationally important project, acoustic guitar performances have been organized at the below venues where Louis will gladly accept donations. To get a few big donations, **Louis will book a 2 hour event for a \$100 contribution to the project** (for a mutually agreed upon date & time over the next year or so). Louis plays originals & covers from the likes of Dave Matthews, Jack Johnson, Tom Petty & Jimi Hendrix. To hear & see him play, visit www.riffcurent.com

Bayside Bar & Grill on Shore Drive

Thursday, August 19 & 26, 7-10

For CHS Residents: Louis will also perform at the block party August 22nd & contribute \$50 from the Civic Association as well as all donations to the project.

Come out to support Louis and bring your donations!

Checks should be made payable to BSA Troop 63. Thank You!
